Trainees are kindly requested to provide their own stationery (pens and writing books) for the duration of the program.

Boarding Requirements:

1. Please ensure you have items such as a mattress (3*6), buckets, blankets, bedsheets, towels, pillows, bags, curtains, and toiletries (including soap, shampoo, toothbrush, toothpaste, etc.) for domestic use.
2. Our institution collaborates with esteemed private hostels to facilitate accommodation for our trainees. It is essential to acknowledge that your stay will be governed by the specific regulations established by each hostel provider.
3. The option for self-prepared meals is available to trainees. You are free to provide utensils and a means of cooking for yourself. A gas cylinder is recommended.
4. The boarding requirements presented are intended as general recommendations. It is advisable to ensure your personal domestic comfort aligns with these suggestions.
